Greetings!

I want to take this opportunity and welcome you to the Colonial Forge High School Family. Colonial Forge High School is 1 of 5 high schools in the Stafford County Public Schools. Colonial Forge High School is consistently ranked as one of the top schools in Virginia as well as the United States.

At Colonial Forge, students have the opportunity to take Advanced Placement® coursework and exams in calculus, chemistry, English, history, government, and world languages. The AP® participation rate is 53% of the student population. Several other college preparatory courses are offered as well as five different foreign language courses. Colonial Forge is also host to a Commonwealth Governor's School.

Academic success is also enhanced by participation in extracurricular and co-curricular programs. Colonial Forge offers an extensive activity program that includes clubs that are service oriented, co-curricular as well as all Virginia High School League (VHSL) sports for males and females. Our performing arts programs continue to receive Blue Ribbon status, year after year. Our athletic program has produced championships year in, year out at the district, regional, and state levels.

The spirit of cooperation at Forge exists between school and community, the dedication of the school's faculty, staff, administrators, and the pride of its students are the motivating forces behind all of the programs at Colonial Forge High School. Preparing young people to assume an adult role in society, with values and philosophies for democratic living, is the common goal. To reach this goal, the faculty, staff, and administration accepts the obligation of developing a safe and comfortable environment sufficiently diversified to meet the needs, special interests, and varying backgrounds of the students.

Like most families, our faculty, staff, and administration strive to demonstrate kindness, compassion, sincerity, respect and transparency in all interactions with the school community. And more importantly, we have a sincere desire and the ability to bring out the best in our students and each other.

This and many more awesome things about this school, makes every day a great day to be an Eagle!

Sincerely,

Gregory O. Daniel

Principal
