CAR-RIDER INFORMATION

- Please complete a car-rider permission form for each of your children who will be a car rider this year. Forms will be available throughout the year in the main office.
- The form that you turn in will be effective for the duration of the school year unless we receive further written notice from you. Your child will be called to the car rider area before first load buses are called.
- When you come to pick up your car-rider, please enter the area to the right of the Activity Room. Please stay in line and stay in your car. **Students will not be released to anyone who walks up to the door---you must be in a vehicle.** Please do not pass cars in front of you and please remember to drive slowly. Remember that school buses have the right of way. The safety of our children is always the number one priority. 😊
- You will be given a car rider hang tag number which will also be assigned to your child. Please display this tag in your car for identification when you come to pick up your child. Your child will then be released to your car by a staff member.
- Car riders must be picked up between 3:00 p.m. and 3:25 p.m. Students who have not been picked up during this time will need to be signed out for release from the front office. **Continuous late pick-ups may result in your car rider privileges being revoked.**
- If you have any questions or concerns, please don't hesitate to contact us at 540-658-6464.
