

How to Access School Announcements, Class Assignments, Grades, Etc.

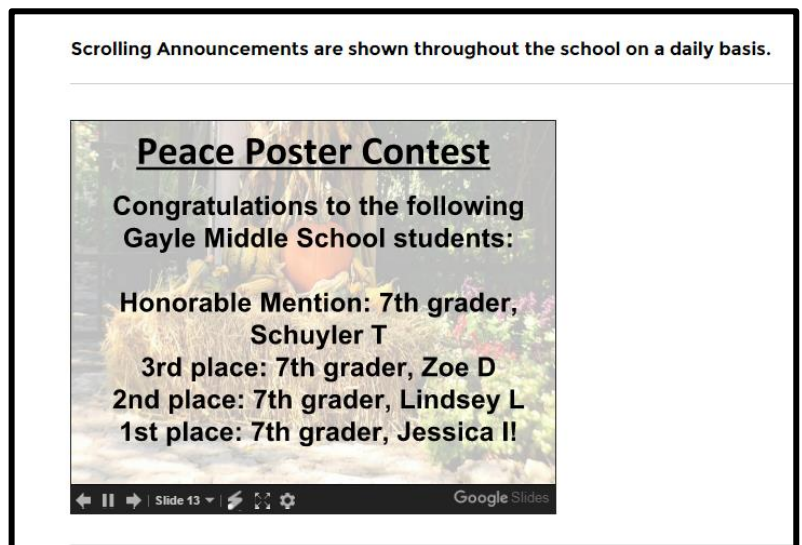

For School announcements, go to Gayle's Website: gms.staffordschools.net - You then have two options

Go to our webpage

Option 1 is to read the Daily announcements. These are copied from the script as read by the students every morning for the announcements on our broadcasting station.

OR - On the same page you can catch the scrolling announcements located directly below our Daily announcements. These are changed daily and scroll throughout the day for students to view on classroom televisions.
