Message from your PTO President

We've reached the end of another great year at FES! The PTO is putting together one last movie night June 7th. This is a free outdoor event so bring your blankets out to watch How To Train Your Dragon: The Hidden World.

I wanted to say "thank you" to all of our wonderful volunteers this year! Thank you for signing up to provide food, supplies, and help with the variety of events we hold throughout the year. Your help is immeasurable and we would not succeed as a PTO without all of our volunteers.

Thank you also to everyone who participated in Boosterthon! With the funds raised over the past two years we have been able to add a few new items for students and teachers! Here are just a few things we've been able to accomplish with your donations:

- ~ Outdoor learning space construction is expected to start in approximately 3 weeks!
- ~Our picnic tables will be repaired so they can be utilized by classes.
- ~We've been able to help fund Summer Library Hours which will be open to all students and families. More details to come!
- ~Water bottle filling stations throughout the school are coming soon!
- ~Several new Chromebooks have been purchased for classrooms.

To our families who are off to new schools next year please know you will be missed and we wish you all an easy transition, though you'll always be FES Falcons to us.

Have a safe and happy summer holiday!

- Katie Willis

2019 BOOSTERTHON T-SHIRT SPONSORS NEEDED!

Each year the FES PTO strives to provide a Boosterthon t-shirt free of charge to every FES Student and faculty member but this is only possible through the generous donations of our community businesses.

2019-2020 BOOSTERTHON THEME ANNOUNCED!

Boosterthon's 2019-20 character theme is MIND SPARK: WILD WEST! The S.T.E.A.M theme from Mind Spark: Mystery Lab went over so well with schools that Boosterthon created an exciting sequel set in the Wild West. All six MindSpark kids will be back in action, solving an even bigger mystery with the help of their S.T.E.A.M skills and strong character. This time they'll have to travel back in time to the Wild West and save Dr. Shock from the outlaw Bully Malone and his No-Good Gang.

In this thrilling Western-S.T.E.A.M theme, students and the MindSpark kids must win six "Character Duels" to rescue Dr. Shock.
