

Afternoon Car Rider Procedures

The safety of our children at Widewater Elementary is our ultimate priority. We are diligently working to make our dismissal procedures as efficient as possible. Thank you for your patience and flexibility.

- If your child is not an everyday afternoon car rider, you must write a note or call the office before 2:00 p.m. to allow enough time for your child to receive a notification of a change in their procedure.
- Please form 2 lines and pull up as far forward as possible to allow more cars in the line and off of Den Rich Rd.
- Cars are not to cut in and out of the line in order to get out early. Cars need to stay in line and leave as they are motioned one behind the other. This is for the safety of all.
- Display your yellow car rider number in the windshield. If you do not have a number, have a photo ID ready.
- Be sure your child learns their number. It will make dismissal go more quickly.
- **DO NOT** get out of your car. This will help in dismissing at a much quicker pace. Practice opening the car door and buckling the seatbelt so your child learns to do this independently.
- If a student has forgotten something and needs to return to the building you must park in the parking lot and accompany them into the front office.
- After 3:55 p.m. students will be brought to the front office to be signed out.
- While you are in the car rider line, if you must make a phone call, please only use a hands-free device.
- There is **NO SMOKING** on school property, including the car rider line.
