

2020 CAREER & COLLEGE PATHWAYS EVENTS

Opportunities Realized!

LEARN ABOUT HIGH SCHOOL OPPORTUNITIES BEFORE REGISTERING FOR CLASSES IN JANUARY!

SCPS would like to invite middle school students (with a focus on 8th grade) and their families to learn about our division's specialty programs that support high school, college, and career goals.

SPECIALTY PROGRAMS

Advanced Placement (AP)

Career & Technical Education (CTE)

Commonwealth Governor's School (CGS)

Dual Enrollment (DE)

Governor's STEM Academy (STAT)

International Baccalaureate (IB)

Military Science (JROTC)

Teachers for Tomorrow

Important Dates

SCPS will provide virtual Career & College Pathways events so that students and their families can learn about our specialty programs safely from home.

November 2, 2020

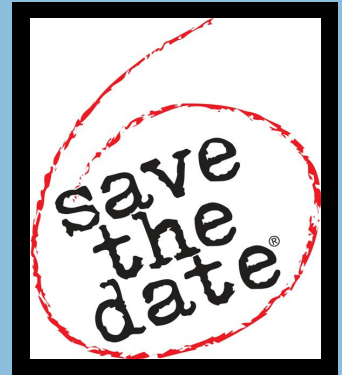

Program highlight videos will be posted on the SCPS website. Students and their families will be able to view videos and post specific questions about any of the programs.

November 16, 2020

Key program podcasts will be uploaded to the SCPS website that will answer many of the submitted questions.

December - January

Key programs will provide streamed Family Information Nights for families to attend.
