

**Stafford Middle School
8th Grade T-shirt Order Form 2023
Class of 2027**

Hello 8th Grade Parents and Families,

The SMS PTO hopes you will join in celebrating our eldest Spartans as they journey through their final months at SMS! As part of the excitement, we invite you to order a graduation t-shirt for your 8th Grader. The shirts will be black with blue and white writing, and they will include a list of all 8th Grade students printed on the back (first name, last initial). **The cost of the shirt will be \$10.** Please go to: www.staffordmedia.com to place your order. Click on "Store," then scroll to Stafford Middle School. You can also submit an order to the Front Office using a paper order form below.

We welcome any donations towards students who may not be able to purchase a shirt. If ordering online, please follow the prompts for additional shirts. If ordering through a form, please increase the amount of each additional shirt on your order form. When donating extra shirts, we will take care of selecting the sizes based on student need. Thank you for your donation. We know families in need will appreciate your generosity!

Congratulations on your 8th Grader's accomplishment! Thank you for your support!
