

COMMUNITY USE OF SCHOOL FACILITIES

Mitigation Protocols

March 3, 2022

All non-school organizations/groups must sign the certification form in addition to filling out the community use form. Below is a summary of mitigation protocols for K-12 schools. The undersigned certifies that

For non-school related groups and organizations:

Gatherings (including meetings, parties, celebrations, social events, concerts, plays, recitals, religious services, etc.) in an educational setting are allowed for larger groups provided the following criteria is followed:

All groups/organizations must follow with the protocols listed below:

- Physical distancing will be maintained to the extent practicable.
- Items used to distribute food or beverages are to be disposable or cleaned
- Wiping down of frequently touched surfaces should also continue as it is a deterrent for the spread of any illnesses.
- Limited use of shared items is recommended.
- No one with a fever or symptoms of COVID should attend. Watch for symptoms – people with COVID-19 have had a wide range of symptoms reported and should stay home when sick.
- If somebody has symptoms of COVID, they should stay home and isolate away from others.
- Frequent hand hygiene should be encouraged.
- Per Center for Disease Control (CDC) guidelines, masking will still be a recommended practice to stop the spread of COVID-19 in areas of High Community Level of COVID-19 (unless changed by the CDC or state law).
- Someone onsite must be CPR certified for emergencies and made aware of the AED location.
