Dear SCPS Families and Staff:

By Wednesday, March 18, 2020, I will provide more information on the extended school closure through March 27 to include home learning activities and the logistics of offering meals for students during this time. This is a fluid situation and I will continue to work with state and local officials to develop the best path forward. Please remember to make arrangements for a long-time closure if that becomes necessary. I understand the seriousness and inconveniences of this decision, but it is important to treat this as a public health emergency to protect all students and staff as much as possible. Thank you for your patience and support of SCPS.

Sincerely,

Scott R. Kizner, Ph.D.
