**STUDENT SUSPENSIONS, STUDENT EXPULSIONS & APPEALS
OF DISCIPLINARY CONSEQUENCES**

PURPOSE: To establish procedures governing student suspensions and expulsions as well as the appeals process

Disciplinary Action Not Involving An Out-of-School Suspension

Only disciplinary action which involves an out-of-school suspension may be appealed beyond the principal/designee. The principal/designee is the final authority on all other disciplinary consequences, including, but not limited to, loss of bus privileges, in-school suspension, detention, warnings, etc. In cases when a student has been disciplined by an assistant principal, upon written request of the parent/guardian, the principal shall conduct an initial review of the disciplinary action, on the record. The parent/guardian shall make such request within two (2) school days of notice of the disciplinary action. If the principal imposed the discipline, that decision is final except in a case involving an out-of-school suspension. (See below). However, in cases involving exceptional circumstances, such as the privilege to participate in graduation ceremonies, parents/guardians may appeal to the superintendent/designee in writing.
