

Hartwood ES Boundary Change Scenario A

Note: Elementary school enrollment totals are based on the September 30, 2021 official count.

Map prepared in January 2022 by SCPS Planning & GIS

Highlights:

- Scenario proposes to reassign seven (7) planning units (80 students) from Hartwood to Brent.
- No significant impact to demographic balance
- Hartwood has expansion limitations (water and sewer)
- Next year with boundary change (Fall 2022) Hartwood (92%) and Brent (98%)
- Three years, after boundary change Hartwood (99%), and Brent (101%, -6 seat deficit) at capacity.
- Five years after boundary change (Fall 2026) Hartwood at capacity (104%, -25 seat deficit), Brent is overcapacity (108%, -74 seat deficit) and could be relieved by Rockhill (81%) that's slated to have +157 open seats.

Subdivisions Slated for Reassignment:

Hartlake Estates, Stonehouse Estates, Brandy Hills, Eagle Terrace, Storck Run, Kensington, Cedar Knolls, Blake Farm, Hartwood Valley, Beverly Estates, Hartwood Manor, Stony Hill Estates, Diamond Park, Royal Hills Estates, Hartwood Landing, and Oakley Farms
