Dear Parent/Guardian

- The Field Day Fun Camp will emphasize the teaching of various sports and recreational games in a positive and encouraging environment. Our goal is to provide all participants with an introduction to many sports and activities so that they can choose to play them as they grow up. We will be offering basic introductions and skills for a wide variety of sports and activities like the campers would participate in when they are in Physical Education classes. We look forward to seeing you at the event.

Sincerely,

Head Varsity Girls Basketball Coach

Physical Education Teacher GES

Ben Sargent

Camp Guidelines and Regulations:

Field Day Fun Camp will follow all Stafford County Policies and Guidelines. If you have any questions of concerns, you may email or contact Mr. Sargent the Camp Coordinator

Field Day Fun Camp

This is the Tenth Field Day Fun Camp. **This years' camp will be at Mountain View High School.** The event is sponsored and organized by the **Mountain View Girls Basketball Program.** We are holding two weeks of camp this summer for campers to attend. **The event was very well attended last year with over 180 campers!** Make sure to get your forms in early so you don't get shut out as there will be a limit to the number of campers we can take. Participants will be given instruction in the basic techniques and rules of a wide variety of sporting activities that they can play as they grow up. The event will provide campers with a foundation from which they can experience continued growth in the future. We will have games designed to give campers a chance to be successful.
