

**Stafford County Public Schools
Family Life Education
OPT-OUT FORM**

Dear Parent/Guardian:

Stafford County Public Schools provides age appropriate family life education (FLE) instruction to students in grades K-10 in family living and community relationships, abstinence education, mental health, responsibility, and disease prevention.

The K-10 FLE curriculum and materials are available for review at each of our schools and on the SCPS website. Curriculum binders are located in the front office of each school. You may review these materials, videos and DVDs. The video materials are available for preview through each school's library.

FLE instruction for K-5 students will be scheduled during **second semester**. Students in grades K-5 will be taught FLE by classroom teachers, physical education teachers, school counselors, school nurses, and administrators as support and resources.

FLE instruction for students in grades 6-10 will be scheduled any time after **October 3rd**. FLE instruction for secondary students is provided by the health and physical education teachers, with support from school counselors and the school nurse. Some objectives are taught in separate classes for boys and girls.

If you choose for your child not to receive any/all of the FLE lessons, an **OPT-OUT FORM** is provided below. The form must be completed by **October 3rd** and returned to your child's classroom teacher or health and physical education teacher.

Questions and concerns may be shared with your child's FLE teacher, the building principal, counselor(s), or school nurse. You may also contact the Coordinator for Health, Physical Education, Athletics and Student Wellness at (540) 658-6694.

OPT-OUT FORM

Student _____ School _____ Grade _____
