

Thank you for your patience during student drop off/pick up. Below are a few reminders and some suggestions that could improve the efficiency of the process.

- **Adjust your routine to leave earlier**
- **Pull as far forward as possible when dropping off or picking up to allow more cars behind you**
- **Drop off or pick up your student on the side when the front is congested**
- **Always use your turn signals well before the intersection**
- **Allow your student to exit when stopped by any sidewalk**
- **There is no left turn into the front loop at these times**
- **Please refrain from texting or using phone**
- **Buses take priority in the traffic pattern**
- **Be Patient**
