A Message from our Principal

Hello Tiger Family,

This semester has been terrific! Our students have grown exponentially and are getting excited to become high schoolers, or established middle schoolers next year. March is our Healthy Heart Month (please see the attached flyer) and AG Wright's Math Madness Month (read the attachment for details)! We are so excited to hold dances, start our final season of sports and test our students to show off how much they have learned. From now until May, hold onto your seats. It's going to be a wild and wonderful ride for our tiger family!
