

Read Every Day

This Read Every Day folder is a part of your child's nightly reading homework. By reading with your child as often as you can and asking the provided questions, you will promote and practice fluency and comprehension skills to support the journey!

For homework each night, please do the following:

- Have your child read the word ring out loud independently
- Then, have your child read the book that is in the folder.
 - Please do not allow your child to struggle through the words. Give him/her a chance to decode it, but if they continue to struggle, tell them the word so they can continue reading.
 - Help them by using the decoding strategies found in their folder before telling the word.
- Ask your child 3-4 comprehension questions from the list provided.
- Return the folder back to school in your child's communication folder every day

Important Information

- The books in your child's folder belong to the school. Please remind your child the appropriate way to treat our books and be sure all books are returned in a timely manner.
- If you have any questions or concerns please email me at milleraa@staffordschools.net and I would be happy help!

I am so eager to witness the excitement as your child's ability to read improves and grows this year!
Thank you so much for your support!
