**Jennifer Lombardo, President.** Mom of Will, a 2018 full IB diploma graduate, now pursuing a dual degree in history and political science at Lesley University in Cambridge, MA, while playing baseball, and of Daniel, a freshman currently enrolled in the pre-IB program. Both of my sons transferred to Brooke Point to enroll in IB. The International Baccalaureate Program is, in my opinion, absolutely the best program offered to our students in Stafford County. The hard work and dedication of Brooke Point's teachers and staff make this program what it is.

**Tara Hoit, Vice President** (prior three years as President.)

Parent of a 2018 full IB diploma graduate, Jackson Hoit, who is now studying at Colgate University and a senior, full IB diploma candidate, Lillian Hoit who is currently applying for college. The IB curriculum has prepared our son for his liberal arts education especially in regards to critical thinking, expressing himself through writing and applying global perspectives to his courses. Our daughter is a much more competitive candidate for the elite schools to which she is applying and will be well-prepared to embrace.

**Jenny Dufrene, Treasurer.** I have a senior, Caleb Dufrene, who is a full IB student and has been excelling in the IB program since freshman year! Caleb's plans after high school are to apply to all of the service academies, with the goal of attending the Air Force Academy. Caleb is also applying to the Virginia Military Institute. He enjoys the IB program and is an IB Ambassador for Brooke Point. The program has certainly prepared Caleb for college and he enjoys the challenges. I also have a freshman, Conner Dufrene, who has been enjoying school as a pre-IB student and plans to continue as a full IB student and attend college after graduation.

**Tina Maggio, Secretary.** Mother to Aiden Schultz, who is a freshman in the pre-IB program. Both Aiden and I are new to IB and what a wonderful support the Boosters has been! For me, it surrounds me with other parents and the amazingly energetic IB Coordinator, Julie Stemple-Hoover, who all have the same goal in mind - helping ALL our kids succeed along the IB path and in life. Aiden was drawn instantly to the mission of IB and being part of something greater than himself and beyond his community. Being a part of the Boosters has been the best way for me to support him in his decision to start on the IB track..

### *BPHS IB Booster Club*

---

The Brooke Point IB Booster Club is organized for the purpose of supporting the IB Programme at BPHS, promoting the welfare of the students who participate in the Programme, and fostering relationships among the school, parents, teachers and the community.

---

**Brooke Point IB Boosters**  
*We would love for you to join us!*

---

We would welcome your help in  
supporting the students and staff of the

*International Baccalaureate  
Programme*

at

Brooke Point High School.

We work closely with the director of  
the program, Mrs. Stemple-Hoover.

Any support that you can offer would  
be very much appreciated!
