

Meeting Convened at 7:05, President Mayhew conducting.

All PTO officers were in attendance, along with two parents and Principal Boatwright.

President Mayhew reported on the fall activities. The Thanksgiving feast for the teachers went well even though it had been postponed due to weather. We had plenty of pies donated. One challenge was finding the teachers to deliver pies to them, so that will be discussed as we prepare for next year.

Tiger Bites is going really well. The best sale so far made a profit of \$275.00.

The fundraiser did not reach our goal but the money made to put toward a variety of needs in the school. Mr. Boatwright did discuss the continued need for Chromebooks and Chromebook carts.

The Veteran's Day Program was a success. Cookies and water were served after the program. This will also be what we do in November.

Holiday Grams went okay, but not as well as in past years. Total was \$110.00. Once again a big thank you to all those who helped.

We also worked with the Junior Honor Society and made lunches for the teachers. As usual, it was a big success and was well liked by the teachers and support staff.

Upcoming events include the last dance. Shelly Newman will handle the decorations.

Teacher appreciation day is also coming up and at this time, we need volunteers and are still deciding on what the theme will be.

An 8th grade picnic is being considered and we will need volunteers for that activity as well.

Principal Boatwright thanked the PTO for all that they do.

Meeting adjourned at 7:48 p.m.
