After School Sport Events and Activities

Permission Form

Middle School is a wonderful time to experience both the participation in and the watching of sports events and activities! While we do encourage our students to support their fellow Mustangs, it is our expectation that the rules set forth by the Stafford County Public Schools *Student Code of Conduct* are followed.

Specifically, students attending any and all school events and activities are required to:

- Respect staff and students alike. This includes the display of sportsmanlike conduct during the course of the activity/event. Stomping on the bleachers is prohibited.
- Wear appropriate attire; the *Student Code of Conduct* dress code applies, even outdoors.
- Use appropriate language.
- Deposit trash in proper receptacles, including outside.
- Arrange transportation and obtain permission to attend **prior to the day of the sport event or school activity**. Students will NOT be permitted to arrange for transportation or permission on the day of the activity/event. Additionally, walkers are to vacate the campus immediately at the conclusion of the activity/event.
- Pay proper admission fees and remain in the event/activity.

Refusal to comply with these expectations will result in the student being asked to leave the activity/event. Moreover, the student will not be allowed to attend remaining activities/events for the duration of the season and possibly the next season.

Please review these expectations at home and return the signed permission form for EACH event/activity.
